The Band

In the spring of 1940 the Band gained wide-spread acclaim in competition with some of the best bands in Texas. The Band came to the front with first division ratings in marching and sight reading and a second division in concert playing at the State Contest. The Band received a marching grade of 100%, the highest rating ever awarded a band in East Texas competition. This entitled the Band to participate in the National Regional Contest at which the Band won a second division in marching.

In Memory of Flying Cadet David Rose

A vacant spot was left upon this earth by one who's passed
His earthly way from life here on to eternal life at last.
The army of glorious Union pays tribute to you, we know
They've lost a man of brilliant mind; we miss you, David Rose.

We cannot know what you've gone through, what lies beyond the grave,
Until our Master calls us too, and death has clipped our days;
Thine earthly deeds were scoring fast, thy record plainly shows,
But all these deeds will ever last we miss you, David Rose.

Thy Master saw it fit for Him to call you; now you've gone
To be a soldier for your Lord upon that Golden Throne;
No second death can end your life in God's eternal reign;
Although you're in a better place, we miss you just the same.
